

1.0 CITATION

This is a Local Planning Policy prepared under Schedule 2 of the *Planning and Development (Local Planning Schemes) Regulations 2015*. This Policy may be cited as Local Planning Policy 7.4 – Signage.

2.0 INTRODUCTION

The local government may prepare a local planning policy in respect of any matter related to the planning and development of the Scheme area.

In making a determination under this Scheme the local government must have regard to each relevant local planning policy to the extent that the policy is consistent with this Scheme.

3.0 OBJECTIVES

- 3.1 To control signs in order to safeguard the visual amenity of the district.
- 3.2 To ensure signs do not compromise safety issues regarding thoroughfares.

- 3.4 To specify what types of signs do not require the development approval of the local government.

4.0 APPLICATIONS SUBJECT OF THIS POLICY

The placement of a sign constitutes development and this policy provides the criteria for when a planning application is required (and not required) to be lodged.

5.0 APPLICATION REQUIREMENTS

Applications seeking approval to site a sign are expected to demonstrate due regard for the accompanying information requirements as outlined in the *Planning and Development (Local Planning Schemes) Regulations 2015* and also provide written submission detailing the reason(s) for seeking to site a sign and information upon ongoing maintenance of sign.
