Minutes

Meeting Date Tuesday 22 September 2026

Meeting Time 4:00 pm

Held at Chapman Valley Administration Office, 3270 Chapman Valley Road, Nabawa
WA 6532, Council Chambers

ACKNOWLEDGEMENT OF COUNTRY

The Shire of Chapman Valley would like to respectfully acknowledge the Naaguja peoples who are the traditional owners and first people of the land on which we stand.

We would like to pay our respect to the elders past, present and emerging for they hold the memories, the traditions, the culture and hopes of the Naaguja peoples.

DISCLAIMER

No responsibility whatsoever is implied or accepted by the Shire of Chapman Valley for any act, omission or statement or intimation occurring during Council Meeting. The Shire of Chapman Valley disclaims any loss whatsoever and howsoever caused arising out of reliance by any person or legal entity on any such act, omission or statement or intimation occurring during Council of Committee Meetings.

Any person or legal entity who acts or fails to act in reliance upon any statement, act or omission made in a Council Meeting does so at that person's or legal entity's own risk.

Disclosure of Interest

No officer declared an interest under the Local Government Act 1995, Subdivision 1 (LGA 1995) in the preparation of this report.

Background

The Shire of Chapman Valley has received the Independent Audit Report from its Auditors: Nexia Perth performed this audit on behalf of the Office of Auditor General.

Audit, Risk and Improvement Committee - 9 December 2025 - Minutes

Comment

Councillors, Chief Executive Officer, Manager of Finance & Corporate Services met (via TEAMS) with representatives from the Office of Auditor General for Western Australia (OAG) and the OAG and Nexia Perth, on 3 December 2025 for an audit exist meeting. Both the OAG and Nexia Perth reported on Key Audit Risks and Focas Areas as outlined in the original Audit Strategy Memorandum.

The shire has now received the independent audit opinion for an unmodified set of financial statements for the year ended 30 June 2025; of which is an extract below:

In my opinion, the financial report :

- is based on proper accounts and records
- presents fairly, in all material respects, the results of the operations of the Shire for the year ended 30 June 2025 and its financial position at the end of that period
- is in accordance with the *Local Government Act 1995* (the Act) and, to the extent that they are not inconsistent with the Act, Australian Accounting Standards.

Statutory Environment

Disclosure of Interest

No officer declared an interest under the Local Government Act 1995, Subdivision 1 (LGA 1995) in the preparation of this report.

Background

The Shire of Chapman Valley has received the Management Report from its Auditors Nexia Perth who performed this audit on behalf of the Officer of Auditor General (Please refer to Audit Report Letter).

The Shire of Chapman Valley is subject to audit by the Office of the Auditor General (OAG) in accordance with the Local Government Act 1995 (Part 7) and the Local Government (Audit) Regulations 1996, as amended by the Local Government Amendment (Auditing) Act 2017. These provisions mandate that all Western Australian local governments have their annual financial statements audited by the Auditor General or an appointed contractor.

Under section 7.12A of the Local Government Act, councils must examine the audit report, act on any matters raised, and publish a report on significant findings, including actions to address them, on the local government's website and provide a copy to the Minister for Local Government.

Comment

Considerable discussion was undertaken this year in relation to project management. Effective project management and timely completion of initiatives are critical to ensuring accurate financial reporting and compliance with funding agreements. Delays can affect statutory obligations, financial statements, and future grant eligibility. To maintain accountability and meet acquittal requirements, councils need to adopt robust monitoring and reporting systems supported by clear governance processes.

Management oversight remains essential, as project delays and inadequate tracking can compromise compliance and financial integrity. It is prudent that management implement structured processes to monitor progress, identify risks early, and ensure corrective actions are taken promptly. This includes maintaining accurate documentation and internal controls to support audit evidence and reduce exposure to adverse findings.

The financial statements for the year were updated to align with Australian Accounting Standards, specifically AASB 15 and AASB 1058, which require grant funds with enforceable obligations and performance conditions to be treated as Contract Liabilities until obligations are met. Unspent capital grant funds are generally recorded as Capital Grant Liabilities under AASB 1058. These adjustments ensure compliance with current accounting requirements and improve transparency in financial reporting.

The Management Report for the year ended 30 June 2025 identified one finding rated as moderate, with no impact on the audit opinion. This finding relates to excessive annual leave balances, which pose operational and financial risks. Management has acknowledged the issue and committed to implementing leave management plans and proactive monitoring through payroll reporting to reduce this liability.

Management Report finding for the year ended 30 June 2025

1. Excessive annual leave balances

Finding

During the audit, we noted that five employees had annual leave balances ranging from 355 to 959 hours. Collectively, these five employees account for 70% of the Shire's total annual leave liability at 30 June 2025.

Rating: Moderate

Audit, Risk and Improvement Committee - 9 December 2025 - Minutes

Implication

- Excess annual leave entitlements pose several risks to the Shire, including:
 - Health and safety concerns arising from employees not taking their leave
 - Increased financial liability due to salary increments and associated costs over time
- Reduced effectiveness of internal controls as key staff are not rotated, a preventative control against fraud.

The accumulation of large leave balances could create financial strain if significant amounts of leave are taken at the same time or within a short timeframe. Additionally, there is management risk to the Council if key personnel are on leave for extended periods.

Recommendation

We recommend that management implement a process to regularly monitor excessive annual leave balances and take appropriate measures, such as developing leave management plans, to reduce the implications of excessive leave.

Management comment

Management acknowledges the excessive annual leave balances and agrees with the recommendation. Management will implement appropriate measures to reduce this liability, including developing and implementing individual leave management plans and monitoring leave accruals through monthly payroll reports to proactively address excessive leave balances.

Disclosure of Interest

No officer declared an interest under the Local Government Act 1995, Subdivision 1 (LGA 1995) in the preparation of this report.

Background

In line with Regulation 17 of the Local Government (Audit) Regulations 1996, the CEO must review the appropriateness and effectiveness of local government systems and procedures regarding risk management, internal control, and legislative compliance every three years.

Audit, Risk and Improvement Committee - 9 December 2025 - Minutes

The Shire engaged Badgemore Consulting to undertake this review, the findings of which are now submitted to the Committee.

Regulation 17 CEO to review certain systems and procedures

(1) The CEO is to review the appropriateness and effectiveness of a local government's systems and procedures in relation to —

(a) risk management; and

(b) internal control; and

(c) legislative compliance.

(2) The review may relate to any or all of the matters referred to in sub regulation

(1)(a), (b) and (c), but each of those matters is to be the subject of a review not less than once in every 3 financial years.

(3) The CEO is to report to the audit committee the results of that review.

Comment

The review's objective was to assess current policies, practices, and procedures; to confirm adequacy and effectiveness; and to identify areas for improvement in risk management, internal controls, segregation of duties, legislative compliance, and fraud mitigation controls.

The audit Regulation 17 final report for the Shire of Chapman Valley, prepared by Badgemore Consulting, has been completed in accordance with the Local Government Audit Regulations 1996 requirements. The consultant's review evaluated the effectiveness and appropriateness of systems and procedures in risk management, internal control, and legislative compliance. Recommendations for strengthening these areas were provided, and timely action is advised to ensure compliance and continuous improvement. Below is a summary of these findings:

- The Shire has core systems and frameworks for risk management and internal control, but more regular reviews and wider staff engagement are required.
- Key recommendations include updating risk management policy to reflect the current ISO standard, formally adopting risk criteria and appetite, regularly updating the risk register, and introducing or strengthening education and reporting around risk management.
- Recommendations also cover expanding business continuity testing, formalising IT recovery procedures, broadening finance policy guidance, and developing a dedicated Fraud, Corruption, and Misconduct policy.
- Internal control recommendations highlight the need to update the Delegation Register, develop terms of reference for the Audit, Risk & Improvement Committee, and improve information technology and staff performance review processes.

Audit, Risk and Improvement Committee - 9 December 2025 - Minutes

- Legislative compliance is fundamentally sound, and no major non-compliances were found, but process documentation and assurance systems should be enhanced for continuity and resilience.

To commence the improvement process based on higher risk factors identified in the Badgemore Consulting final report, the following priority tasks are recommended to be actioned first. Each task is directly linked to areas considered to represent significant or moderate risks to the Shire's operations and compliance within the report.

Priority Improvement Tasks as identified by the Manager Finance & Corporate Services

- Update the Risk Management Policy to reflect the new ISO Standard (AS/NZS ISO 31000:2018), reviewing risk criteria and escalation processes, complemented by systematic monitoring and reporting
- Conduct and formally report an annual review of the Corporate Risk Register, including operational and environmental risks
- Develop a Fraud, Corruption and Misconduct Policy, supporting procedures and an Integrity Framework; ensure all new employees sign the Code of Conduct
- Ensure annual performance reviews are conducted for all officers, identifying further training needs as part of a continuous improvement process
- Address outstanding recommendations from the Dry Kirkness Financial Management Review Report (Regulation 5), prioritised and tracked in a new Audit Actions Register
- Broaden Finance Policy, Procedures and Guideline Manual to cover key finance processes and internal controls (suppliers, purchasing, budgeting, payroll, reconciliations)
- Update the Delegations Register on the Shire website, ensuring the latest version is available and approved
- Develop a Terms of Reference for the Audit, Risk and Improvement Committee, to clarify governance and accountability roles
- Enhance information system access controls by creating an Information Technology policy and guidelines manual
- Initiate regular testing of the Business Continuity Plan, including crisis scenarios for IT data breaches and cloud backup recovery

Disclosure of Interest

No officer declared an interest under the Local Government Act 1995, Subdivision 1 (LGA 1995) in the preparation of this report.

Background

The purpose of this item is to accept the Shire of Chapman Valley 2024/2025 Annual Report, receive the Auditors Report and Management Letter and set a date/time for the Annual General Meeting of Electors.

When considering setting a date for the Annual General Meeting of Electors it is a requirement of s5.27 'Electors General Meeting' of the Local Government Act 1995 this meeting can be no later than 56 days after accepting the Annual Report (12 December 2025 next Ordinary meeting of Council).

Comment

The recommendation is suggesting the date, time and location to hold the Annual Electors Meeting of Electors as being:

- 6 February 2026
- Commencing at 6.00pm
- Council Chambers, Nabawa

Audit, Risk and Improvement Committee - 9 December 2025 - Minutes

- Bearing in mind that the Act stipulated the Annual General Meeting of Electors must be held not more than 56 days after the local government accepts the annual report for the previous financial year. Therefore, the latest date the meeting could be held is the 6 February 2026.

It is important to maximise attendances at the Annual General Meeting of Electors by constituents, hence the recommendation has suggested a date and time, which is in the evening, after the harvest and school holiday period.

Disclosure of Interest

No officer declared an interest under the Local Government Act 1995, Subdivision 1 (LGA 1995) in the preparation of this report.

Background

Each local government in Western Australia is required to undertake an annual compliance audit for the period from 1 January to 31 December and prepare a Compliance Audit Return (CAR) in the form approved by the Local Government Inspector.

The CAR is completed through a prescribed online questionnaire and assesses the local government's compliance with selected legislative requirements during the relevant calendar year. The return focuses on statutory compliance matters identified as being of particular governance and operational significance.

Under regulation 14 of the Local Government (Audit) Regulations 1996, the Chief Executive Officer is responsible for preparing the CAR and providing it to the Audit, Risk and Improvement Committee (ARIC). The ARIC must review the return and report the outcome of its review to Council, including any recommendations the Committee considers appropriate.

The completed 2025 CAR was prepared by Chief Executive Officer with assistance from Senior Staff.

The CAR is to be considered by the Audit, Risk and Improvement Committee at this meeting. The Committee will review the return and resolved to recommend its adoption by Council.

Following Council's adoption, the CAR must be signed by the Shire President and the Chief Executive Officer and submitted to the Local Government Inspector, together with:

- Any recommendations made by the ARIC in relation to the CAR;
- The relevant extract of the Council meeting minutes recording adoption of the CAR; and
- Any additional information explaining or qualifying the compliance audit, where applicable.

The deadline for submitting the 2025 CAR has been deferred to 30 September 2026.

Comment

Legislative and governance context

The Western Australian Government introduced significant reforms to the local-government audit and governance framework through the Local Government Amendment Act 2024 and associated regulations.

These reforms expanded the role of local government audit committees and established the statutory framework for Audit, Risk and Improvement Committees. The new framework broadens the committee's responsibilities beyond traditional external audit and financial-management matters to include risk management, governance, compliance and continuous improvement.

The amended ARIC provisions commenced on 1 January 2026, with a transition period ending on 30 June 2026. The requirement for ARIC review of the CAR is consistent with the Committee's broader statutory governance and assurance role.

Compliance Audit Return

The attached 2025 CAR has been completed using the prescribed online questionnaire for the period 1 January 2025 to 31 December 2025.

The return is now presented to Council following review by the ARIC. Council is required to consider the CAR and may adopt the return as presented or amend it before adoption.

Subject to Council's resolution, the final CAR will be signed by the Shire President and Temporary Chief Executive Officer and submitted through the prescribed DLGSC online process by 30 September 2026.

Statutory Environment

The report complies with the requirements of the:
Local Government Act 1995

Regulation 14 of the Local Government (Audit) Regulations 1996 requires a local government to conduct a compliance audit for each calendar year.

Following completion of the audit:

- The Chief Executive Officer must prepare a CAR in the form approved by the Local Government Inspector and provide it to the ARIC.
- The ARIC must review the CAR and report the results of that review to Council.
- The ARIC may make recommendations to Council in relation to the CAR.
- Council must consider and adopt the CAR, with or without amendment.
- Following adoption, the local government must provide the Local Government Inspector with the signed CAR, any ARIC recommendations, the relevant Council minutes, and any additional explanatory or qualifying information.

While CAR material is ordinarily due by 31 March following the reporting period, the deadline for the CAR covering 1 January to 31 December 2025 has been deferred until 30 September 2026.

Disclosure of Interest

No officer declared an interest under the Local Government Act 1995, Subdivision 1 (LGA 1995) in the preparation of this report.

Background

The March 2026 Financial Management Review undertaken by Quantum Assurance incorporated both an update of the Shire's 2025 Regulation 17 Systems and Procedures Review and additional financial-management testing previously undertaken under regulation 5(2)(c) of the *Local Government (Financial Management) Regulations 1996*.

The review concluded that the Shire has appropriate and effective financial management systems and procedures, with improvements identified. It recorded nine recommendations: one moderate-risk recommendation and eight low-risk recommendations. The review also confirmed that the work completed satisfies the current requirements of regulation 17 of the *Local Government (Audit) Regulations 1996*, with the next review not required until 2029/30.

The Regulation 17 Action Plan contains 21 actions across risk management, business continuity, ICT, financial processes, integrity, environmental risk, governance, internal controls and legislative compliance. Progress has been recorded against these actions through the Executive Team and SkyTrust, with completed actions and outstanding actions to continue to be reported to ARIC through the Audit Actions Register.

Of the nine Financial Management Review recommendations, four are recorded as completed or implemented, four remain in progress or subject to planned follow-up, and one moderate-risk item requires confirmation that the required treatment has been implemented and is operating effectively. ARIC is requested to receive the quarterly update and note the matters requiring continued monitoring.

Prior to 1 January 2026, regulation 5(2)(c) of the *Local Government (Financial Management) Regulations 1996* required the CEO to review the appropriateness and effectiveness of the Shire's financial-management systems and procedures at least once every three financial years and report the results to the local government.

From 1 January 2026, the former regulation 5(2)(c) requirement was removed. The amended regulation 17 of the *Local Government (Audit) Regulations 1996* now requires the CEO to review the appropriateness and effectiveness of the Shire's systems and procedures in relation to:

- financial management;
- legislative compliance; and
- risk management.

Each area must be reviewed at least once every four financial years, with the CEO required to report the results to ARIC.

Quantum Assurance was engaged to complete the Financial Management Review before the legislative change. With the Shire's approval, the engagement was amended to incorporate an update of the 2025 Regulation 17 Systems and Procedures Review and to address the revised regulation 17 requirements. The review covered the period January 2025 to January 2026 and assessed financial management, legislative compliance and risk management.

The Financial Management Review was finalised in March 2026 and signed by Quantum Assurance on 12 May 2026. Quantum Assurance concluded that the work performed satisfies the revised regulation 17 requirements and that the next review is not required until 2029/30.

Comment

The review concluded that the Shire has appropriate and effective financial management systems and procedures, with some improvements noted, most of which were in progress at the time of the review.

Testing confirmed that systems and procedures were operating appropriately in a number of key areas, including:

- bank accounts, trust funds and reserve accounts;
- fixed assets;
- inventory controls;
- payroll controls;
- creditors, procurement and payment processes;
- rates invoicing and debt collection; and
- GST processes.

The review also noted measures in place to manage the related-party relationship between the Manager Finance & Corporate Services (MFCS) and Financial & Digital Systems Coordinator (FDSC), including separation of tasks and authorisations where practicable, CEO approval of system changes and journals, and the development of additional capability to support segregation of duties.

FM Review Recommendations

The nine recommendations from the Financial Management Review are summarised below. They are to be maintained in the Audit Actions Register, with evidence of completion retained and progress reported to ARIC.

Ref.	Area	Risk rating	Required action	Management status recorded in the review	ARIC monitoring focus
1	Corporate transaction cards	Low	Amend CMP-021 to require suspension of credit cards for staff on extended leave.	Policy modification identified for the May 2026 meeting.	Confirm policy amendment was adopted and communicated to relevant officers and cardholders.
2	Corporate transaction cards	Low	Amend CMP-021 to update the referenced responsible officer from the former Executive Manager Corporate & Community Services to the MFCS.	Policy modification identified for the May 2026 meeting.	Confirm policy amendment was adopted.
3	Corporate transaction cards	Low	Obtain signed credit-card agreements for the CEO and	Due October 2026. The bank was contacted but was unable to locate	Monitor completion by the due date; retain newly

4	Depot inventory security	Low	Consider whether locking the Depot gates during the day is practical to enhance security.	Completed. The Shire determined that daytime locking was not practical due to high traffic movements; movement-activated CCTV is in place and the diesel tank is secured behind a locked gate.	Record the documented risk assessment and closure rationale, including CCTV and physical-security controls.
5	Elected Members' fees, allowances and expenses	Moderate	Seek clarification on the interpretation of direct Shire-paid Elected Member expenses that should be included in the Register of Fees, Allowances and Expenses Paid to Elected Members.	Due May 2026. Management response states that fees, allowances and conference expenses will be reported through the Compliance Hub.	Confirm the source of clarification, update the register and website disclosure practice as required, and verify implementation.
6	Elected Members' fees, allowances and expenses	Low	Publish the Register of Fees, Allowances and Expenses Paid to Elected Members on the Shire website.	Completed.	Verify current website publication and include this requirement in the annual compliance process.

9	Declarations of interest	Low	Ensure declarations of financial interest and impartiality at Shire meetings are minuted.	Completed. Relevant officer notified.	Include a periodic quality-assurance check of agendas and minutes to verify ongoing compliance.

Regulation 17 Actions

The Regulation 17 Action Plan contains 21 priority actions. The Financial Management Review recorded the following status as at the time of its preparation:

Status category	Actions	Position recorded in the Financial Management Review
Completed / implemented	9, 10, 17 and 18	Fraud, Corruption and Misconduct Policy and Integrity Framework adopted in March 2026; Code of Conduct acknowledgement process implemented through Executive Team action on 4 February 2026; Delegations Register website update completed; and ARIC Terms of Reference adopted in October 2025.
Due July 2026 / progressing	1, 2, 3, 4 and 16	Risk Management Policy and Framework, risk appetite and criteria, Corporate Risk Register and Business Continuity Plan were progressing for presentation to Executive Team and ARIC before Council adoption. Risk education program design was progressing through SkyTrust.

Due or progressing during 2026	5, 6, 7, 8, 13, 14, 15, 19, 20 and 21	BCP testing, IT crisis exercise, backup and recovery testing, Finance Manual, corporate risk profile, Audit Actions Register, closure of prior audit actions, ICT policy/manual, performance reviews and month-end procedures remained in progress or scheduled for completion during 2026.
Deferred / dependent on resourcing	11 and 12	Works and Services Manual review and environmental-risk consideration were scheduled for review upon the Works Manager's return, with a target of January 2027.

The action plan requires that all Regulation 17, Financial Management Review, external audit, internal audit and other relevant assurance findings are captured in the central Audit Actions Register. The Register should identify the source finding, action, responsible officer, risk rating or priority, due date, current status, evidence of completion and any revised target date or escalation requirement.

The Financial Management Review provides positive overall assurance regarding the Shire's financial-management systems and procedures, while identifying practical improvements that will strengthen documentation, accountability, legislative compliance and control operation.

The former regulation 5(2)(c) review requirement has now been incorporated into the revised regulation 17 framework. Accordingly, future reporting should refer to the Financial Management Review and the Regulation 17 review program, rather than describing Regulation 5 as a continuing statutory review requirement. The actions identified through the former regulation 5 review remain valid management actions and should continue to be monitored to closure.

The moderate-risk recommendation concerning the disclosure of Elected Members' expenses should remain a particular focus for ARIC. The Committee should seek assurance that the Shire has obtained or documented appropriate clarification, determined its disclosure approach, updated the relevant register and website publication process where required, and embedded the process in the Compliance Hub and annual compliance cycle.

The outstanding credit-card actions also require confirmation that CMP-021 has been updated and that signed agreements for the CEO and MFCS have been obtained or otherwise appropriately regularised. While the recommendations are rated low risk, they relate to documented authority, accountability and financial-control arrangements.

For all completed actions, management should retain auditable closure evidence in the Audit Actions Register. For actions continuing beyond their original target date, the register should record the reason for delay, the risk implications, revised target dates, accountable officers and any interim controls.

Executive Summary & Action Plan

Below is a summary and suggested task table for executive staff, assigning responsible officers and completion dates for the highest-priority Regulation 17 improvement actions. This table will be taken to the next available Executive Team meeting to be communicated and updated as appropriate.

Risk management

Update Risk Management Policy and Framework (RM 1.1, 1.2, 1.3, 1.4, 1.5, 1.6)

- Action:
 - Update Risk Management Policy to AS/NZS ISO 31000:2018 and embed risk appetite, consequence and likelihood criteria.
 - Review and update Risk Management Framework, including escalation and reporting, and add explicit requirement for risk assessments for Major Events.
 - Undertake full review of Corporate Risk Register (Nov 2023 version) and report outcomes to FARM/Council.
 - Embed broader obligation in all PDFs/PDs to adhere to the Risk Management Policy.
 - Implement risk awareness program (toolbox talks, staff meetings, intranet updates, induction refresh).
- Responsibility: CEO (policy/strategic settings); Manager Finance & Corporate Services (MFCS) (framework, register, education program); EMT for implementation.
- Priority: High.
- Timeframe:
 - Policy/Framework update and PD wording: within 3 months of Council receiving the report.
 - Corporate Risk Register review and FARM report: within 6 months.
 - Risk education program: commence within 3 months and ongoing.

Business Continuity and IT disaster recovery (RM 2.1, 2.2, 3.1, 3.2)

- Action:
 - Review and update Business Continuity Plan, confirming alternate operating sites (e.g. Recreation & Community Centre) and dependencies.
 - Plan and conduct a BCP test exercise, then schedule at least biennially.
 - Conduct a crisis exercise incorporating critical IT data failure/cyber-breach scenario.
 - Test backup and recovery procedures under the Irwin–Chapman Valley managed services agreement and document results/actions.
- Responsibility: CEO (overall), MFCS and ICT/managed services provider; input from Works, WHS and key service leads.
- Priority: High.
- Timeframe:
 - BCP review: within 4 months.
 - First BCP and IT crisis exercises and backup/restore test: within 9 months.

Finance processes documentation (RM 4b.1, LC 5.1)

- Action:
 - Broaden Finance Policy, Procedures & Guidelines Manual to include detailed procedures for: supplier set-up and changes, purchasing, month-end reconciliations, payroll, rates, annual and mid-year budget processes, monthly variance analysis and Aged Debtors monitoring.
- Responsibility: MFCS and Management Accountant.
- Priority: Medium–High.

G:\040 Governance\403 Committees & Working Groups\403.05 - Audit Risk & Improvement Committee\Action Register Status Report.docx

- Timeframe: Draft within 6 months, finalised and implemented within 9 months.

Fraud, corruption, misconduct and integrity (RM 4d.1, 4d.2, 11.1; IC 1; IC 10)

- Action:
 - Develop and adopt a Fraud, Corruption and Misconduct Policy, supporting procedures and a simple Integrity Framework, aligned to PSC/OAG expectations.
 - Ensure all new employees (and periodically existing staff) sign acknowledgement of the Code of Conduct; automate and record through SkyTrust where possible.
 - Ensure fraud and misconduct risks are explicitly described and reassessed in the next corporate risk profile review.
 - Implement annual performance review for all officers with a training-needs component and link fraud/ethics awareness into that cycle.
- Responsibility: CEO (policy position), MFCS and HR/People & Culture lead (framework, processes), WHS/Compliance where applicable.
- Priority: High.
- Timeframe:
 - Policy and Integrity Framework: within 6 months.
 - Code of Conduct sign-off embedded in onboarding: within 3 months.
 - Inclusion of fraud/misconduct in corporate risk review: next review cycle, within 12 months.
 - Annual performance review process: design within 6 months, full cycle delivered within 18 months.

Environmental risk and works manuals (RM 4e.1, 4e.2)

- Action:
 - Review and update Works & Services Manual to explicitly address environmental risks (e.g. refuse site, depot, spill management, dust/noise, contaminated materials) and operational controls.
 - Ensure environmental risks are separately identified and assessed in the strategic/operational Risk Register at next annual review.
- Responsibility: Works & Services Manager, with MFCS and WHS/Environmental Health input.
- Priority: Medium.
- Timeframe: Manual update within 9 months; environmental risk inclusion in next risk register review (within 12 months).

Corporate risk profile and risk reporting (RM 5.1–5.6, 7.1)

- Action:
 - Establish a formal corporate risk profiling process (criteria, methodology, frequency) aligned to the Framework.
 - Undertake initial corporate risk profile, including fraud, misconduct and environmental risks, and report outcomes to FARM and Council.
 - Introduce regular (e.g. 6-monthly) corporate risk report to FARM covering key risks, treatments, trend and status of mitigations.
 - Ensure internal control issues identified by OAG, Dry Kirkness, LG People & Culture and this Reg 17 report are incorporated into the Audit Actions Register (see below) and monitored via FARM.
- Responsibility: CEO and MFCS; FARM for oversight.
- Priority: High.
- Timeframe:
 - Design of process and first corporate risk profile: within 6 months.
 - First 6-monthly risk report to FARM: within 9 months.

Audit Actions Register and follow-up (RM 5.3–5.5, 7.1)

- Action:

- Create a central Audit Actions Register capturing recommendations, agreed actions, responsible officer, due date and status for: OAG audits, Reg 5, Reg 17, internal audits (e.g. LG People & Culture), LGIS risk reports and other relevant reviews.
- Populate with all outstanding Dry Kirkness 2023 recommendations (including Workforce Plan) and any unresolved internal audit actions, and mark priorities.
- Report the Register to FARM at least 6-monthly until all high-risk and significant items are closed.
- Responsibility: MFCS (owner), CEO (sponsor), FARM (monitoring).
- Priority: High.
- Timeframe:
 - Register established and populated: within 2 months.
 - First formal FARM report: within 4 months.

Internal control and ICT

Delegations and policy publication (IC 2.1, IC 2 & 9, 8, 3)

- Action:
 - Replace the 2022 Delegations Register on the website with the Council-approved 2025 Delegations Register and ensure future updates are synchronised promptly with website publication.
 - Reinforce linkage between Delegations, PDs and current policy manuals in staff training and induction.
- Responsibility: CEO and Governance Officer (or MFCS if governance sits there).
- Priority: High (transparency/compliance).
- Timeframe: Website update within 1 month; process for ongoing updates documented within 3 months.

FARM Terms of Reference and ARIC transition (IC 4.1, 4.2, 4, 10, 6, 7)

- Action:
 - Draft a clear Terms of Reference for FARM, covering purpose, authority, membership, reporting lines, scope (audit, risk, improvement), meeting schedule and relationship with Council and CEO.
 - Develop and implement a plan to transition FARM to an Audit, Risk and Improvement Committee in accordance with the Local Government Amendment Act 2024, including any required changes to membership, independent chair arrangements and reporting.
- Responsibility: CEO and Governance Officer; FARM and Council for endorsement.
- Priority: High (legislative compliance).
- Timeframe:
 - Draft TOR to FARM within 3 months and Council adoption within 5 months.
 - ARIC transition plan and necessary governance documents in place for FY26, with preparation completed by 30 June 2026.

IT governance and access (IC 5.1, 11, 19.1, 20)

- Action:
 - Develop an Information Technology Policy, Procedures & Guidelines Manual covering access control, acceptable use, cyber-security, backups, monitoring, incident response and third-party arrangements (Irwin/Oracle, EFTSure, etc.).
 - Embed explicit ICT use expectations (professional, secure, ethical use; confidentiality; security; IP; monitoring) into Code of Conduct or supporting ICT guidelines as recommended.
 - Formalise role-based access and system administrator arrangements, including periodic user access reviews and documentation of quarterly audit trail reviews already being done.
- Responsibility: MFCS (lead, as corporate systems owner) with Management Accountant and ICT/managed service provider; CEO approves.
- Priority: High.

- Timeframe:
 - Draft ICT Policy/Manual and updated Code wording: within 6 months.
 - First documented user-access review under new arrangements: within 9 months.
-

Legislative compliance and financial oversight

Month-end and variance procedures (LC 5.1 – also supports RM 8, IC 21)

- Action:
 - Document the full end-of-month timetable and responsibilities (reconciliations, controls, review steps), including the program-level variance review by MFCS and escalation thresholds for reporting to Council.
 - Ensure procedures support continuity and handover in the event of staff turnover.
- Responsibility: MFCS and Management Accountant.
- Priority: Medium–High.
- Timeframe: Integrated into the Finance Manual updates within 9 months (see item 3).

Ongoing CAR and compliance calendar monitoring (LC 1–3, 9, 10)

- Action:
 - Maintain and periodically review the Compliance Calendar; ensure CAR findings and any emerging themes feed into the corporate risk profile and Audit Actions Register.
 - Continue to table CAR through FARM with explicit commentary on any integrity or ethics matters.
- Responsibility: CEO and Governance Officer; MFCS for financial elements; FARM for oversight.
- Priority: Medium.
- Timeframe: Ongoing, but linkages to risk profile and Audit Actions Register to be made within 6 months.
