#### **BACKGROUND**

The Shire of Chapman Valley has received the Independent Audit Report from its Auditors; Moore Stephens performed this audit on behalf of the Office of Auditor General (Please refer to Audit Report Letter submitted at Attachment 8.2(a).

#### **COMMENT**

Some Councillors, Chief Executive Officer, Manager of Finance & Corporate Services met (via teleconference) with representatives from the Office of the Auditor General for Western Australia (OAG) and the OAG appointed Auditors, Nexia Perth, on 6 December 2021 for an audit exit meeting. Both the OAG and Nexia Perth reported on Key Audit Risks and Focus Areas as outlined in the original Audit Strategy Memorandum.

During the exit meeting attention was drawn to findings which are of a sufficient concern to warrant action being taken in the area of Leave Management and IT Disaster Recovery Plan. The only item highlighted as a matter of significance is the adverse trends in the financial ratios for the Operating Surplus Ratio. This ratios has been below the Department of Local Government, Sport and Cultural Industries standard for some years.

In relation to matters raised as a significant item, Section 7.12A(4)(a) of the Local Government Act 1995 states:

- "(4) A local government must
  - (a) prepare a report addressing any matters identified as significant by the auditor in the audit report, and stating what action the local government has taken or intends to take with respect to each of those matters; and
  - (b) give a copy of that report to the Minister within 3 months after the audit report is received by the local government.
- (5) Within 14 days after a local government gives a report to the Minister under subsection (4)(b), the CEO must publish a copy of the report on the local government's official website."

This same item of significance was raised at the conclusion of the 2019/2020 annual audit and a similar response has been prepared and sent to the Minister.
